

Support is important - Prisoner Information

After the action four people were released on strict bail conditions. Another was released five months later after spending time on remand. They are not allowed to talk to each other. Messages of support for them can be sent to tom_w@boardermail.com

One decommissioner is still on remand and could be there until trial:

Elijah Smith, VP 7551, HMP Lewes, 1 Brighton Rd, Lewes, BN7 1EA

Letters of support are always appreciated. If you want to support financially postal orders can be made out to HM Prison Service with prisoner number and your name and address or make a donation to the campaign at www.smashedo.org.uk/donate.htm. Please tag donations as 'prisoner support'.

There will be a week of solidarity events the week leading up to the trial, from the 18th October. Please see website for details. www.smashedo.org.uk

"I don't feel I'm going to do anything illegal tonight, but I'm going to go into an arms factory and smash it up to the best of my ability so that it cannot actually produce munitions and these very dirty bombs that have been provided to the Israeli army so that they can kill children. The time for talking has gone too far. I'm not a writer, I'm just a person from the community and I'm deeply disgusted." Excerpt from a Statement recorded by Elijah Smith, one of the decommissioners, before breaking in to the factory.
